

GIRLS IN AVIATION AND STEM DAY

Sept. 27, 2026 | 10 AM – 3 PM

Join us at the National Museum of the United States Air Force for an exciting, free event designed to inspire curiosity and confidence in young girls ages 6-17. Explore careers in aviation and STEM through hands-on activities, meeting female role models in aviation, and learning about exciting career possibilities in aerospace.

Be inspired by a special keynote from Joan Sullivan Garrett, founder of MedAire, sharing how her groundbreaking mission delivers lifesaving medical care in the air.

Federal Endorsement not implied
